THE "LOVE DANCE" IN "MADAME SHERRY," AT THE COLONIAL
THEATRE TONIGHT.

Amusements

"Madame Sherry" Tonight.

An idea of the musical importance
of "Madame Sherry" may be obtained
from the fact that it requires four
prima donnas to do justice to its mu-
sical score. The principal vocal part
is that of Yvonne Sherry, a little con-
vent girl who suddenly finds herself
in the midst of life's gaieties and loses
her heart to the first likely young man
she meets. Then there is the part of
Katherine, the housekeeper, to whose
role belongs the comic numbers of the
piece. Next in importance is the role
of Lulu, the aesthetic dancer, who
first introduces the audiences to those
haunting strains, "Ev'ry Little Move-
ment Has a Meaning All Its Own,"
and then there is the part of Pepita,
the fiery Spanish girl who carries her
mother's dagger in her garter.
"Madame Sherry" will be presented
at the Colonial Theatre tonight, and
the advance sale bespeaks a packed
house.

"The Punkin Husker."

The attraction at the Colonial
Thursday night, December 12, is a
four-act comedy-drama, "The Punkin
Husker." This company carries their
own scenery and effects, and a Red
Hussar band, which will give a parade.
A number of specialties are intro-
duced between acts and patrons
should certainly get their money's
worth at the prevailing prices—25, 35
and 50 cents.

COLQUITT AFTER SENATORSHIP

San Antonio, Texas, Dec. 10.—Ac-
cording to Thomas P. Ryan, formerly
a resident of Dallas but now living
in New York, Governor O. B. Colquitt
has begun an active campaign to suc-
ceed Charles A. Culberson as United
States senator from Texas. Mr. Ryan
said:

"I got my information from quar-
ters so close to the governor there can
be no doubt as to his intentions."

Robert P. Coon, a lawyer of this
city and close to Governor Colquitt,
also declares there is no doubt the
governor will aspire to the senator-
ship.

THIS DAY IN HISTORY

December 10.

- 1778—John Jay of New York elected
president of congress.
1785—Daniel Appleton, one of the
pioneer American publishers,
born. Died March 27, 1849.
1807—Kingdom of Etruria dissolved
and annexed to France.
1808—James Sullivan, governor of
Massachusetts, died. Born April
22, 1744.

tested against the last tariff act
passed by congress.
1838—The Monroe railroad in Georgia
opened to passenger traffic be-
tween Macon and Forsyth.
1813—General McClune, commanding
at Fort George, burnt the Cana-
dian village of Newark, and two
days later was compelled by the
British to abandon the fort.
1817—Mississippi admitted to the
Union as the twentieth state.
1904—Earl Grey assumed office as
governor general of Canada.

PLANT A HOME.

Young beginners in life's morning,
Don't forget the rainy day;
Sunshine can not last forever,
Or the heart be always gay.
Save the dime and then the dollar,
Lay up something as you roam;
Choose some blooming spot of beauty,
Some fair lot and plant a home.

You, too, who have babes around you,
Coming up to take your place;
Give them something to remember,
Homestead memories let them trace.
Would you feel the pride of manhood
Let the sun your dwelling greet;
Breathe the blessed air of freedom,
Own the soil beneath your feet.

You, too, who perhaps have squan-
dered

Life's fair morn, 'tis not too late;
Start at once to woo bright fortune,
—Rail no more at so-called fate.
Sow the golden seed of saving
In the rich and quickening loan;

Spend your last days not with
strangers,
Here in Bryan make you a home.
Mrs. Cora Hamilton.

Walter J. Coulter**THE WEATHER.**

Tuesday, December 10, 1912.
Tonight and Wednesday: Unsettled;
probably rains; colder Wednesday in
interior.

Weather Conditions.

A storm of considerable magnitude
occupies the Northwest and it is from
10 to 30 degrees warmer in that sec-
tion. Zero temperatures prevail over
the Great Lakes. The coldest reported
was 4 degrees below zero at Duluth,
Minn. At the time of this report snow
was falling in Utah and light rains
in Texas, Kansas and Florida. The
weather in this vicinity for tonight
and Wednesday will be unsettled, with
probably rains and colder.

WHY IT SUCCEEDS.

Because It's for One Thing Only, and
Bryan People Appreciate This.

Nothing can be good for everything.
Doing one thing well brings success.
Doan's Kidney Pills do one thing
only.

They help sick kidneys.
They relieve backache, kidney and
bladder trouble.

Here is reliable evidence to prove it.
Mrs. A. Lang, southside, Navasota,
Texas, says: "In return for the relief
I obtained from Doan's Kidney Pills I

gladly recommend them. I believe that
any person of advanced years can well
expect disorders of the kidneys and
the prompt way in which Doan's Kid-
ney Pills strengthened my back was
very surprising. I could not rest well;
my head ached and my health became
so run down that I knew I would have
to seek assistance. I finally used
Doan's Kidney Pills and could not
have wished for a better kidney rem-
edy; in fact, I do not believe there is
one on the market."

For sale by all dealers. Price 50c.

Remember the name—Doan's—and
take no other.

Evenly Heated Homes

The air-tight feature embodied in Cole's
Original Air-Tight Wood Heater makes it pos-
sible to control the burning of wood, first to
charcoal. Charcoal makes a clean, hot fire
and leaves very little ash. This means a
saving of at least 50 per cent in the saving
of fuel as compared to stoves with cast bot-
toms or side door frames which have leaky
cast iron and steel joints. It is a perfect
radiator of heat, giving out all the heat pro-
duced by the fire. The heat from burning a
single newspaper can be felt across the room.
It holds fire over night with light wood, coals
or trash. The fire is never out and by simply
putting in a little fresh fuel in the morning,
you can heat up the room from zero to 70
degrees in five minutes' time. We have them
in all sizes and styles. Price \$1.50 and up.
